Things is rather quiet, It is hard to get our people to come out to the services, as there is 2 picture shows going Sunday evenings, and most of our members are out of the village. The village was building a hall, but owing to lack of funds the work on it had to stop.

NARRATIVE SECTION OF REPORT

(Original and 3 carbons)

This is most important: It gives you a record of your work for your own review and evaluation; it tells us of your special problems or needs, your successes and gratifying experiences, your special meetings and activities; and it supplies the publicity department with news items for the Church.

This month we were visited by some Indians that have joined the Bahai faith, some of our younger people throughout Alaska are joining them.

The Assembly of God is working here and are talking about building a church here, I think it is too small a place to have 4 different churches here, they have two ladies working here, one is a registered nurse. The community thinks they are it since they have a needed nurse here. I have not been feeling so well this winter. but am trying my best.

If you have confidential problems, write us separately and mark "personal."

I was priveleged to attend the Alaska Council of Churches conference in Fairbanks as deligate from Alaska Presbytery.

The thrill of the month was to see the above mentioned work project start again after several years of complete neglect. I am sure that Dr. Jackman would have been thrilled could he have been with us, see the enthusiasm of the men and women, and the amount of work accomplished. I will write him in detail later. Dave Peratrovitch is again our carpenter boss! He is doing an excelent job.

Our visiting minister, Rev. William Groff has arived and we start our preaching mission today. He is a most charming young guest and we are most greateful to the Board of National missions and his churches for sending him to us. I wish we had a man like him for the Hidaburg Church.

The month of March is already here. It is beginning to look like we will be doing our church buisness with the Synod of Washington instead of the New York office.

I wish to say only this since this is probably the last report we will be making to the New York-Office. We appreciate the kind services of Dr. Jackman and the office personal for their kind services. We have been in three different feilds since the year 1946. It seems that we are going to miss the fine leadership of Dr. Jackman.

February had been just ahothor month. The only outstanding thing we had done is that we painted the interior of our church. There is but a little more painting to be done on the inside. In the late spring we will paint the exterior of the building.

Preparation had been made for the visiting evangelist. The unfortunate thing in our evangelistic program is that it was to be held in March. It just so happened that many things had taken place at about the same time. We will make a report on this in a letter, and the report forms will show the response of our local people.

Word had been received from the Kake Church that their Choir will visit our church here at Hoonah on March, 26th. We are looking foward to their visit.

I trust that we will be informed for the March Report.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

A few weeks ago I happened to look out of the kitchen window, and noticed a spider dangling from the ceiling of the back porch, swinging to and fro in the wind. An hour or so later I looked out again. He was still there, whipping and tossing about. Perhaps he had come down from the ceiling, only to be hit by a blast of cold wind that took all the zip out of him so he couldn't climb back up. He was sort of left to the whims of the wind.

February seems to have been a low month for me personally. I very happily got all of the work required of me by Utah Presbytery complete and sent in, but a letter (forwarded to Dr. Jackman) from that direction seem to indicate that doors are closing on me there. It sorta knocked the props out from under me, and after a few sleepless nights I managed to catch a pretty good cold.

This past Monday night a wedding reception was held in the "Honor of _____". Hypocrisy raised its ugly head as I said a prayer (not a blessing) at the beginning of the meal and later watched alcohol being mixed into the foundation of a marriage.

Hydaburg seems to be balancing on a teeter-totter...which way are they going to go? I've watch the Presbyterian Church play tiddly winks in Utah for a long time. I've witnessed a lot of heart aches, tension and difficulty where there is no pastoral care. It looks like now maybe we've missed the cup. Now what about Hydaburg? Is it a game we play, too? I have no personal axe to grind in Hydaburg, but for that matter I have not entered(?) the ministry to grind personal axes. If I could have my personal desire perhaps I'd still be tightening nuts & bolts on airplanes, farming, or ministry-wise, serving a small church in western Colorado, Arizona, Wyoming, or Nevada. Certainly personal desire would not put me in an isolated place like Hydaburg (nor a frustrating place like Utah). Right now I feel like that spider is a pretty good picture of Fred Hauman. Maybe of Hydaburg, too. Or is it "bing - bing," while we keep missing the cup?

It might be interesting to note that since I've been here, the week-end I preached on stewardship, the cannery was robbed. The week following a sermon pointing out that we make life Hell in our everyday lives by the way we separate ourselves from God, an Elder slugged his wife, knocked her down and broke her leg, then went out and got drunk. This past ~~me~~ Sunday I happened to preach on Matt. 22:1-14, "the Marriage Feast of The King", inviting the people to repent, put on the garments of the Lord and come to His Feast, the kingdom of heaven, only to be followed by a marriage feast the following night

where participants find themselves in the "intoxicating cup"...of liquor. Satan is at work here,

After all of that speech, let me say briefly that on the whole, life has been quite normal* in Hydaburg. Basketball games dominate the scene. I've started Communicants Class with two classes per week and five regular attendants (I just learned last night that one of them disobeyed her mother, and therefore won't be with us any more. I'll make a call today, and check on it). A 4-H group is being organized, not in connection with the church, but by a concerned and dedicated church member. Our Christian Ed. Committee has expressed the feeling that with this and the frequent basketball games, it would be wise to discontinue the game nights. I'm inclined to agree.

*Normality is the glaze Satan paints over the chaos that lies in the heart of every individual and situation that is not completely attuned to God. (maybe it's STAFU)

IT IS NOT TOO LATE!

Never was there a more glorious opportunity for those of conscience and courage to take action—here and now, in a practical way—against the world's evils; whether communism, injustice or godlessness.

Never has there been a better opportunity to help in the Christian work of the Church that cries out for our doing.

Your money is needed now. And no matter how little, it will contribute mightily in making a Christian impact upon human hearts.

At the same time, your money invested in Presbyterian Annuities will bring you a guaranteed income for life, and other benefits.

"FOLD TO THY HEART, THY BROTHER"

The commandment of Jesus to minister to the less-privileged is the mandate of mission work among minority groups of our land. "Truly, I say to you, as you did it for one of the least of these my brethren, you did it for me."

There are those who, because of race, color, language or nationality have suffered hardship in making their adjustment to the American way of life. Our work through institutions, schools and churches must be enlarged to meet the needs of those who suffer oppression and economic discrimination.

TO WORSHIPPERS

Will you ask a silent blessing from God our Father upon entering the church and remain a moment in silent prayer after the benediction?

A PRAYER

Breathe on me, Breath of God,
Fill me with life anew,
That I may love what Thou dost love,
And do what Thou wouldst do. Amen.

COME NOW AND LET US REASON TOGETHER

Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. (Isaiah 1:18.)

ISAIAH, often referred to as the Gospel Prophet, comes nearer to approaching the Gospel standard of righteousness than any other Old Testament prophet. His statement quoted above, is very similar to the many sayings of Jesus.

This scripture verse presents a challenge to everyone in this Pre-Easter season to stop long enough to think through the problems of life and to discover, as all true followers of our Lord Jesus Christ have discovered, that a real religious experience is the most rewarding and satisfying thing we may ever encounter in our life.

The great difficulty with many professed Christians is that they fail to enter deeply enough into a religious experience in life and really test its full value. As Christians, have we consecrated our lives wholly to the Lord Jesus Christ—have we sought daily guidance of the Holy Spirit—have we discovered the way to victorious living?

Inspection, communion, decision, action—these are our guiding watchwords and whoever enters fully into these experiences in the Pre-Easter season comes forth at Easter, ready and eager to be a closer companion of Jesus Christ and a stronger servant in His Church.

The 75th anniversary of the World Day of Prayer will be held this year on February 17th. Millions of men and women around the world will join in a 24-hour vigil set aside to unite all Christians in a bond of prayer.

The day starts in the Tonga Islands just west of the international date line and the prayers then will carry the spirit of faith, brotherhood and love across Asia, Africa, Europe, the Americas and the intervening island groups. The day will end in the Land of the Midnight Sun -- on our own St. Lawrence Island in the Bering Sea.

In the United States where World Day of Prayer came into being in 1887 more than 25,000 communities will take part in the 1961 observances.

Through World Day of Prayer offerings much is being done to further the work of Christ. This year the offering will be used in two ways. One is the buying of books for churches in Africa. The other project is of special interest to us since the newly formed Council of Churches in Alaska will receive part of the funds. These funds will be used to provide leadership, help with church planning, help with womens' parish work and to further the work among the native Alaskans.

The World Day of Prayer is sponsored by the United Church Women of the National Council of the Churches of Christ. The theme for the day is "Forward Through the Ages". At 10:00 A.M. there will be a service at the Douglas Community Church. There will be a noon observance at the Church of the Holy Trinity (Episcopal) from 12-1 of three twenty-minute services for those with limited time. A children's service will be held at the Resurrection Lutheran Church at 4:00 P.M. for children in grades 4 thru' 8. The evening service will be at 8:00 P.M. in the Northern Light Presbyterian Church.

You are invited to attend any of these services.

FEBRUARY 12, 1961 — THE 51ST ANNIVERSARY of the BOY SCOUT MOVEMENT. On Scout Sunday every Cub Scout, Boy Scout and Explorer is urged to attend worship in uniform with his family in his own church. The theme for this observance is "For God and Country." This very worthwhile organization merits our endorsement, our appreciation and cooperation not only one day in the year, but every day in the year.

WILL YOUR WILL SPEAK FOR YOU?

Your Will is the expression of your wishes. In it you reveal those things closest to your heart — your loved ones — and your Church.

Every man or woman who possesses anything, no matter how small or large has the duty of deciding how it shall be distributed. If you don't make a Will, you forfeit your last chance to give your possessions to loved ones as you would desire and none of your life estate can legally be paid by the Administrator to benefit the Church.

Everyone should make a Will, and every Christian should want to remember the Church in his Will. For a free copy of pamphlet, "Your Will, a Mirror of Your Character" write to,

HEALING IN THE NAME OF THE GREAT PHYSICIAN. Frantically, a young American couple, newly stationed in Lahore, West Pakistan, on a U.S. government assignment, rushed their seriously ill infant into The United Christian Hospital late one night. The child was given all the affectionate care and skill the staff was capable of giving and recovered. The parents were aware of what it means to be ministered to in a strange land by ones who in Christ's name are making known His love for all mankind.

A CAMPAIGN TO DO AWAY WITH ILLITERACY has been started by the Presbytery of the Gulf of Mexico. At Villahermosa; 25 students received training in teaching others to read and write. A Bible Institute graduate, who is giving full time to literacy work, will help congregations organize literacy centers.

CHURCH ATTENDANCE is not a "take it or leave it" proposition for the Christian. The faithful hearing of the word of God through preaching is a necessity.

BE STILL AND KNOW THAT I AM GOD

Psalm 46:10

OUR TANGLED TIMES have confused and upset many people. Psychiatrists are being consulted by an ever-increasing number of people who are emotionally disturbed and who are looking for something to give them confidence and assurance.

Without underestimating the value of psychiatry, have we, who are Christians, made use of the most effective means at our disposal to overcome our fears and to give us strength and courage to face the responsibilities of life? What about our faith in God, our heavenly Father, who proved His love by sending His own Son to be our Saviour?

When life with its stresses and strains seems to overpower us, why not rely more on God than on ourselves. Why not trust Him who said, "I will never leave thee nor forsake thee?" Why not take Him at His word, who has promised, "As your days, so shall your strength be?" Why not cultivate more of Paul's secret of victorious living: "If God be for us, who can be against us?"

Be still, my soul, thy God doth undertake

To guide the future as He has the past.

Thy hope, thy confidence, let nothing shake;

All now mysterious shall be bright at last.

Be still my soul: the waves and winds still know

His voice who ruled them while He dwelt below.

Prayer—Heavenly Father, help us to meet every experience of life with the confident

faith that if Thou be for us, nothing can be against us. For Jesus' sake. Amen.

AFRICA 1961

Opportunity is urgent and pervasive. Leadership is poised for immediate resolute action. The work of a century must be telescoped into the performance of a decade. The slow, deliberate process of gradualism has been superseded by the accelerated tempo of revolution.

Your Church is cooperating with the development programs of the All Africa Church Conference, the World Presbyterian Alliance, the World Council of Churches, and the World's Student Christian Federation. *Education and leadership training*, geared to the needs and destiny of Africa, are priorities. In cooperation with other denominations, a ministry to African visitors, students, and government leaders in this country also is being undertaken.

The government of Ethiopia, recognizing the contribution of the missions, has requested the assistance of The United Presbyterian Church in supervising medical services for an entire province and has encouraged a new outreach into unevangelized areas.

BRAZIL 1961

A United Nations study has indicated that Brazil can and may develop into a world power. The rapid extension of the nation's frontiers presents both responsibilities and opportunities to the Presbyterian Church of Brazil which has launched a program of evangelism. The United Presbyterian Church is challenged to share in this task.

INDONESIA 1961

The Churches in Indonesia, rooted in the Reformed tradition, witness both to Muslims and to Communists. These Churches have requested our assistance in leadership development programs.

From November 18 to December 6, 1961, representatives of 178 Churches will meet in New Delhi, India, for the Third Assembly of the World Council of Churches. The theme, "Jesus Christ—the Light of the World," will focus attention upon Jesus Christ as Lord and the missionary obligation of his disciples.

The United Presbyterian Church continues its ministry through (1356) missionaries and fraternal workers in partnership with national churches in 25 overseas lands. As all churches—in the Americas, in Africa, in Latin America, and in Asia—respond in obedience to the command of our Lord, the true unity of the Church of Jesus Christ becomes increasingly apparent.

The United Presbyterian Church joins in the task of making Jesus Christ known to the world—through the . . .

The world has many symbols, but none is so significant as the cross. It stands for God's love, shown us in His Son. It stands for the love of Jesus Christ, shown us in His death for us on Calvary. It stands for salvation from sin and for the gift of eternal life. It stands for sacrifice.

YOUR CHURCH reaches out in the name of Christ to serve Him in every human relationship. You are called upon to share with those who believe that Christ's way is the only way in a day like this. Out of the ease and comfort of your everyday life you are asked to acknowledge that sacrifice is absolutely necessary to make the world Christian. The world is going to demand sacrifice. Will you sacrifice to make it Christ-like?

THREE STUDENTS FROM KENYA are counted among forty-two overseas young people at national missions Warren Wilson Junior College this year. Other countries represented among the 234 students of the Swan-nahoa, North Carolina, school are: Argentina, Chile, Cuba, Greece, Hong Kong, India, Iran, Japan, Lebanon, Mexico, Sarawak (British crown colony in Northwest Borneo), Samoa, Thailand, and Korea.

IN OUR EFFORTS to win another to the side of Christ, we must, in the final analysis, depend on the working of the Holy Spirit. All of our knowledge of motivation and techniques must wait for Him. We must never seek to make our urgency and passion a substitute for our reliance on the evangelizing work of the Holy Spirit.

FILIPINO'S ORGANIZATION SERVES. Members of a United Church Men's group, which was organized only three years ago in Sudipen, the Philippines, have built a stone retaining wall to protect church grounds from erosion and have erected a two-story parsonage with a ground floor suitable for use by the children's department. The mayor, who is a loyal member of U.C.M., sees the organization as a potential aid to the peace and welfare of the community, as well as a vigorous force in the local church.

"IF ANY MAN WOULD COME AFTER ME, LET HIM DENY HIMSELF, AND TAKE UP HIS CROSS DAILY, AND FOLLOW ME

Luke 9:23 RV.

WILL THE PRE-EASTER SEASON be just a period of time, or will it be a season of clearer spiritual insight? Through all the year we need what the pre-Easter season brings to us, but in the coming days and weeks we may experience a deeper religious experience if we will meditate upon the sacrifice Christ made for us.

THE CROSS is the symbol of our religion. It is the manifestation of divine love for men. But at the cross we also see sin at its vilest, as well as love at its highest. The only accusation His enemies could make against Him was that He loved all—the lowliest, the most beset by suffering and sin. He went about doing good. Christ's death on the cross is not simply something that happened once on Calvary, but is the ground-plan of Christian living and the pattern of the noblest personality. On the cross Divine Love, redemptive in its nature and purpose, came down to where men were and met their need. That love will never let us go.

O dearly, dearly has He loved,
And we must love Him too,
And trust in His redeeming blood
And try His works to do.

PRAYER: Dear Heavenly Father, we pray for deeper insight into the cross of Christ and for deeper consecration on taking up our own crosses. Enable us to bear gladly our share of the suffering needed to bring the world into harmony with Thy will. In Jesus' name. Amen.

February has been a month of increased church activity and this has been a result of members taking on more responsibility. The W.M.S. sponsored a choir party which was a success. This was to revive the choir and an election of officers followed. Family nights are continuing despite the many other activities that attract people. We have made plans through the Session to work for certain goals at each family night supper. The Session has backed this means of informing members of the needs and work of the church. The Session has been informed that unless there is more cooperation in the work that it will be necessary for their pastor to leave. There has been some increase in cooperation, but much remains to be done. It has been necessary to have frequent session meetings to plan the Gospel Mission with a guest missionary coming. Two infants died in February from what was probably a streptococcus infection. There was a ground breaking ceremony for the new Salvation Army Hall and I was asked to give the Invocation. The new roving S.A. officer for Southeast Alaska (stationed at Juneau- Capt. Philipsen) was here and officiated. There was to be a farewell reception for a S.A. officer on a Sunday evening and we were invited to come on one days notice. They were joined only after our regular evening service, but it was found that over half of our members had been invited and were in attendance. Our choir is helping greatly in getting some of our members active along with encouraging attendance at the evening worship services. The Women's Group united with the Home League for the World Day of Prayer Service and the Women's Group have had one evening worship service this month. Our people still persist in having rummage, coffee, and food sales and sponsoring movies to raise money. Tithing has been explained as the God given way to carry out God's work, but so far little change has been made. At least people are informed and the seed may grow. "The Robe" was shown in the community and there were about 250 people who came. There were three infant baptisms this month. Bible Study in connection with the morning worship has brought about a new hope in the work and I am regretful that this was not started sooner. All attempts to have an adult Bible class had failed. We are now carrying out a Bible study in connection with the Prayer Meeting. The study follows the prayer meeting. Our Mariners Club has been planning a lot of cargo, but it is rather a slow process to carry out the work. We are planning to build cupboards in the kitchen and make other improvements. The Choir is planning a Gospel trip to Hoonah and Angoon possibly over Palm Sunday. The Salvation Army has just carried out a Gospel trip to Hoonah and Angoon and they report the work of the S.A. and Presbyterian Churches next to nothing in both of these communities. We have repaired the Messie kitchen floor and made other improvements- book cases, cupboards, etc. No building program as yet.

NEW UNDERTAKING: We noticed that children came to the church at 9:30 or earlier on Sunday morning, though the S.S. did not start until 10:00. Now we have a class of all who come early to teach them such things as the Lord's Prayer, the Ten Commandments, the Apostle's Creed, new songs, the 100 Psalm, and other scripture passages. We have a projector for slides and film strips coming which we expect to use at this 9:30 hour as well. We look upon this class as a part of the preparation for church membership. Mrs. Hartness, a professionally trained teacher, is in charge of this early class.

The session at its regular stated meeting, Tuesday, Feb. 7, 1961, made plans for the entertainment of the Presbytery of Alaska; for the week of preaching services; and jointly with the trustees planned the raising of money to put a new roof on the church manse and the general renovation of the church before the meeting of Presbytery.

As of this date, one-half of the church manse has a new roof. The remainder of the work awaits a change in weather. The trustees, with many volunteers, are renovating the interior of the church this week. Included is a complete refinishing and polishing of the floors and the pews.

The third Sunday evening of the month our congregation attended in an approved way, approved by the session, the installation of the pastor of the Duncan Memorial Church.

Two funerals were conducted and in connection with them, two consolation services were conducted.

The pastor appeared before three different groups at the schools with projected pictures taken in Mexico.

A basket ball team of youths from 18-20 years of age was organized and one of the high school teachers, Mr. Willburn, secured as coach.

A United Presbyterian Youth group was organized at the request of the

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The first few days of the month I spent in Yakutat. The first night I held a church service and ran a movie on the life of Paul. It was well received. The next day I visited all the homes and the drill Co. (Richfield Oil) and the White Alice Site. The White Alice is going to be hard to visit in the future due to security, but I am looking into having an exception made. The men will request it. The Oil Co. will be starting a new well soon. They will not report on what they have found but they are getting more excited if that means anything.

The same is true of the oil drilling here at Yakutat. Colorado Oil is spending more each year. I think they have something but won't spill it. There have been several good indications that they are encouraged.

I have started doing the survey work for the new church site. The session discussed this at their last meeting. We will go house to house, make spot maps and study future building and expansion for the FAA, Weather Bureau, Coast Guard, and Forest Service. I will have a run down on the expected school growth too.

The people are still very excited about getting something started on the new church. They don't quite see the use of the survey but the session discussed it at some length which will help get the word straight in town.

At the session meeting they decided to have an Indian Dance for the guest minister next week. This means the village will welcome him formally. It will help start the evening services and make him feel more at home when visiting. We are very excited about having him here and I know he will be well received. The only thing against us will probably be the weather. It has been snowing very hard with the roads blocked for days. Sounds like N.Y. The temp. has not been cold but the city can't move the snow, partly due to the "parties" in town. One time the snow was so deep I worked on the truck. From the wreck I had a weak spring. I had put in some old leaves to hold it but they were giving out too, so I have included this as a part of the wreck of a year ago. The board paid $\frac{1}{2}$ before. I tried to save it but the new one was safer.

The Hummel's have fitted in very well. They are not used to the village life but they seem to like it. They are coming to all the activities and are creating an interest in the FAA which might prove to be a real blessing when we evaluate the possibilities of having a joint church for village and outside areas.

Narrative for January of 1961

This month saw a sudden change in the schedule of my own life and that of the Yukon Presbytery in as far as my schedule of work for the churches here was planned. Notification was sent in in October of 1960 that I would be terminating my services in September of this year with the Board but a sudden opening under unusual circumstances to teach in the Anchorage public school system presented an opportunity which I felt it wise to take. Conferences, wires, letters and a phone call to New York- and the decision was made. My work in the churches would not be concentrated as planned in the Trinity and 1st church of Anchorage but I am to continue until the end of May to carry out my commitment to them on week ends or whenever possible week nights when I will get to some of the teachers and Christian Ed. meetings. I was able to finish my month at the Hillcrest church and in fact am meeting with the Session there on Sunday of this week.

As I understood it I have something like two months furlough time coming so actually it would seem that my services do not terminate until March or April.

July of this year would have marked 25 years of my relationship with the Board of National Missions either as the wife of a minister, Verne Swanson, or in my own right during the past ten years. I am grateful for these years and all they have meant to me in friendships, increased spiritual growth and understanding of the out reach of the church. I have no intention of severing my relationship or my services with and through the church. I am confident that teaching the mentally handicapped is a need and the door opened for me to take such a position. But I shall do what many another school teacher is doing and continue to help in our Sunday Schools and in any other way possible.

The following is my statistical report for the month at Hillcrest.
